- Nominations for Council's 2025 Local Celebration Awards are now open. Do you know an unsung hero in the community who should be recognised and thanked?

We're calling nominations for the Mayor's Local Heroes Award. This award recognises the person or group of people who have made a significant contribution to Penrith and are involved in activities that help make our community and City a better place. There is no age limit for this award.

- Council is preparing a flood study for the Claremont Creek catchment which includes parts of Claremont Meadows, Orchard Hills, Caddens and Kingswood.

We're calling on property owners within the catchment to share their local flood knowledge and complete our survey at yoursaypenrith.com.au/ClaremontCreekFS before 5pm, Thursday 6 March 2025.

The feedback received will help us to update our existing flood information and plan for, predict and manage the risk of flooding across the catchment.

- A reminder for Penrith residents to check the safety of their backyard swimming pools.
It's easy to check whether your pool is safe for you and any children by making sure that there is an effective child resistant barrier, pool gates and latches are in working order, and gates are never propped open.

For more information, visit penrith.city/pools or contact Council's Swimming Pool team on 4732 7864.
