### Magnetic Places Grant Acquittal Form

This acquittal form provides information to Council about the outcomes of your activity and confirms how you spent grant funding in line with the funding agreement. If any conditions/requirements are not complied with, Council may in its absolute discretion require the recipient to immediately repay the funding (or portion of funding that is not spent on the funded purpose).

If you need to change your activity or activity budget considerably from the original application, you must contact Council prior to implementing the change. **All considerable changes must be documented and approved as per the funding agreement.**

Submitting this acquittal is a critical responsibility of grant recipients. An outstanding acquittal will result in the recipient being ineligible for further Penrith City Council grants. It is recommended to save your work as you go. You can complete the form in stages and return as needed. Once the form is submitted no further changes can be made. Thoroughly check the form before you submit it. **Parts of this acquittal form are prepopulated from your application form.** Please note:

- All funds must be expended within 12 months of signature of the funding agreement.
- Acquittals must be submitted 4 weeks after completion of the activity or event.
- Information and images provided in this form may be used for promotional purposes on Council's website.
- Council may request further information and/or documentation.

Should you have any questions or require assistance, please contact the Neighbourhood Renewal team at 4732 7777 or [neighbourhoodrenewal@penrith.city](mailto:neighbourhoodrenewal@penrith.city)
